

CALLING ALL FIRST-TIME BUYERS

86%

An overwhelming majority of recent buyers financed their purchase in 2015, despite above-normal activity from all-cash buyers that likely pushed the percent share down.

First-timers - usually younger buyers - were more likely to finance

6%

The median down payment for first-time buyers.

14%

The median down payment for repeat buyers.

Whether you're a first-time or an experienced buyer,

C.A.R. provides valuable information to understand the financing options and find down payment assistance programs available to you.

1. VISIT

downpayment.car.org.

2. ENTER

a specific property address, or the area in which you are looking to buy.
