

# WHAT THE REMODEL REVEALS

It's National Home Rebuilding Month!

Here's where consumers are most willing to spend on and upgrade.

**81% BATHROOM**

**79% KITCHEN**

These have consistently been the most common remodeling projects. In 2015, the largest share of remodelers since 2001 reported them as their most common jobs.

**Also showing an increase in spending year-over-year.**

Room additions up to

**47%**

Whole house remodeling projects up to

**49%**
