

WHAT'S IN A COLOR?

WHEN DECIDING WHICH COLOR TO PAINT A ROOM, LOOK TO THESE TOP DESIGNER CHOICES.

WHITE

- Reflects light
- Room feels brighter and more open
- Gives homeowners unlimited freedom to decorate

YELLOW

- Has a space-enhancing effect
- Creates a softer alternative to white

COOL BLUE AND GREEN

- Creates the illusion of distance

GRAY

- Recommended for home staging
- Bounces light around the room to expand the space
- No glare

DEEP JEWEL TONES

- Give the room a cavernous feel
- Soften sharp corners
- Helps rooms feel private and secluded
