

Does Home Size = Success?

One's sense of self can be important in determining many factors. Here's how various groups responded when asked if they believe having a large or expensive home is a sign of success and accomplishment.

I don't, but many other people do.

I do and most other people do, too.

Earn less than \$35k:

I don't, but many other people do.

Earn \$50k-\$74k:

I don't, but many other people do.

Earn \$35k-49k:

I don't, but many other people do.

Earn more than \$75k:

I don't, but many other people do.
