## **The Leader Who Had No Title** Robin Sharma

Regardless of what you do within your organization and the current circumstances of your life, the single most important fact is that you have the power to show leadership. Wherever you are in your career or life, you should always play to your peak abilities. This book shows you how to claim that staggering power, as well as transform your life—and the world around you—in the process.

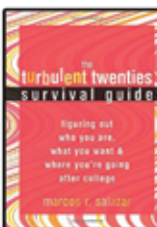

## **Leadership Principles for Graduates:** *Create Success in Life One Day at a Time* John C. Maxwell

Leadership Principles for Graduates is the kind of book you will want to carry in your car or place at the side of your bed. Each page contains a snapshot of the daily road of an overcomer. It is the perfect gift to encourage the new graduate to become all that God intended!

## **Put Your Dream to the Test: 10 Questions that Will Help You See It and Seize It** John C. Maxwell

What's the difference between a dreamer and someone who achieves a dream? According to best-selling author Dr. John Maxwell, the answer lies in answering ten powerful, yet straightforward, questions. Don't leave your dream to chance. This book is a must-have and can make the difference between failure and success.

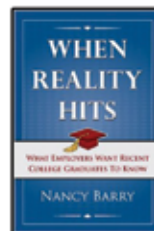

## **The Turbulent Twenties Survival Guide:** *Figuring Out Who You Are, What You Want, and Where You're Going After College* Marcos R. Salazar

Your academic education has prepared you for practical tasks like finding a job or a place to live, but many of the challenges you'll face after college require a different set of skills that are psychological in nature. This book can help you develop these skills by putting the most cutting-edge psychological research at your fingertips to help you overcome the obstacles you'll face throughout this trying and exciting time in your life.

## **Graduate! Everything You Need to Know to Succeed After College (Capital Ideas)** Kristen M. Gustafson

"Graduate!" is a complete guide to not just surviving, but thriving and living well after college. It includes advice on finding and keeping a job, renting an apartment, living with a roommate, handling money issues including saving, budgeting, and credit, how to decipher health and auto insurance, and even how to decorate, cook, and dress around you—in the process.

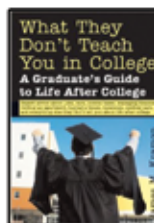

## **When Reality Hits: What Employers Want Recent Graduates to Know** Nancy Barry

Your success will be largely measured by your soft skills, such as: the right attitude, a professional demeanor, the ability to communicate on a professional level, being a team player, proper etiquette, and much more. This book will help you understand what your boss wants you to know, but does not have time to tell you

## **101 Tips for Graduates: A Code of Conduct for Success and Happiness in Your Professional Life** Susan Morem

This revised edition of "101 Tips for Graduates" is a must-read for anyone ready to move forward toward higher education or a successful career. The message throughout is a refreshingly upbeat one, with practical, real-world insight and advice on how to keep a positive attitude when times get tough.

## **What They Don't Teach You in College** *A Graduate's Guide to Life on Your Own* James M. Kramon

You've passed the last final, and suddenly you're expected to know how to do all sorts of grown-up things—get a job, rent an apartment, pay for health insurance. The only problem is, no one ever told you how to do these things. Take a deep breath, because What They Don't Teach You in College is a crash course in Life 101.
